

# ALBERTA MATHEMATICS DIALOGUE

1-2 May, 2014

Augustana Campus, University of Alberta

## PLENARY SPEAKERS:

Walter Craig (McMaster University)  
Canada Research Chair in Mathematical Analysis and its Applications,  
Director of the Fields Institute

Gerda de Vries (University of Alberta)  
Mathematical Biology and Pedagogy

Paul Gauthier (Université de Montréal)  
Analytic Number Theory

Mark Lewis (University of Alberta)  
Canada Research Chair in Mathematical Biology

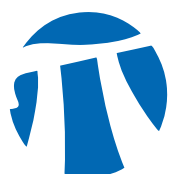

Przemyslaw Prusinkiewicz (University of Calgary)  
Algorithmic Botany and Visualization
