## Pacific Institute *for the* Mathematical Sciences

PIMS Connection | August 2016
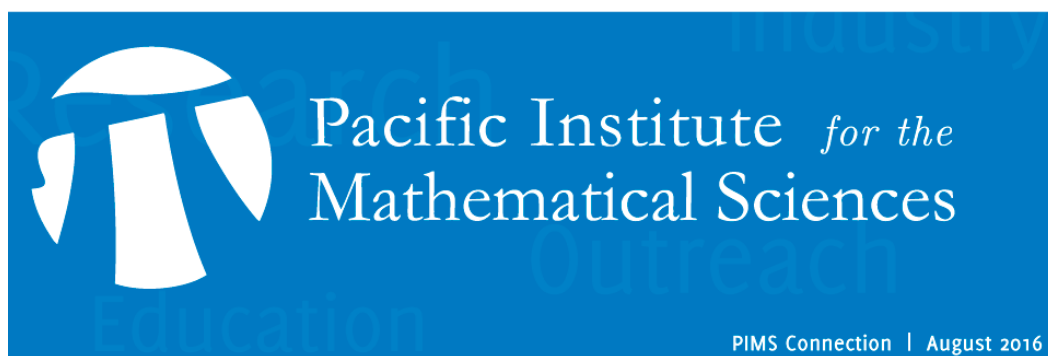

## Greetings from PIMS!

**Take a look at what's happening around the sites:**

**August 2016**

7-13 August – 2016 Graduate Mathematical Modelling in Industry Workshop at the University of British Columbia

8-13 August – 2016 West Coast Algebraic Topology Summer School at the University of Oregon

15-19 August – 2016 Industrial Problem Solving Workshop at the Fields Institute

15-25 August – Two Weeks in Vancouver - A Summer School for Women in Math at the University of British Columbia

15-19 August – Math Academy at the University of Manitoba

15-20 August – 2016 PIMS Undergraduate Workshop on Supersymmetry at the University of British Columbia

18 August – PIMS Public Lecture: Gerda de Vries at the University of British Columbia

21-26 August – 24th International Congress of Theoretical and Applied Mechanics in Montréal, Quebec

22 August – September 4 – **CANCELLED** Sirince Summer School in Mathematical Physics in Sirince, Turkey

29 August – September 2 – Short Course on Partial differential equations with deal.II. at the University of British Columbia

PIMS and NCTS forge Canada-Taiwan Agreement to Advance Mathematical Sciences

Upcoming

September 15 – 11th Annual Richard & Louise Guy Lecture: Poetry, Drumming and Mathematics at the University of Calgary

September 30 – In celebration of Richard Guy's 100th birthday, the Universities of Alberta, Calgary and Lethbridge have named September 30th, 2016, Richard Guy Day and will be hosting and showcasing a number of activities in Guy's honour. View the schedule of events or submit information on an event you are organizing!
